MISCELLANEOUS DEPARTMENTS.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER, BANGALORE.

Notification dated 10th July 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer Bangalore, up to 2 P.M. on the 28th July 1939 for putting up foundations and constructing a platform for out-door transformer station at Belagola. An approximate estimate of quantities is given below These quantities are not guaranteed. The works should be completed by the 15th September 1939

2. The plans, detailed estimate and conditions may be seen at the Office of the Chief Electrical Engineer, Bangalore, between the hours 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 300 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for putting up foundations and constructing a platform at Belagola," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Chief Electrical Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Public Works Department or those fixed by the Chief Electrical Engineer, after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Chief Electrical Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific terms of unit, shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Charges on account of water, scaffolding materials, implements for setting out, barricading, clearing site, etc., that may be found necessary during execution, will not be paid for separately, but should be borne by the contractor.
